

# Recombinant Human RBFOX2 Protein, N-GST & C-His

## Summary

---

|                                   |                                                                                                                                                                                                                                  |
|-----------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog No.</b>                | YHA61301                                                                                                                                                                                                                         |
| <b>Alternative Names</b>          | RNA binding protein fox-1 homolog 2, Fox-1 homolog B, Hexaribonucleotide-binding protein 2, RNA-binding motif protein 9, RNA-binding protein 9, Repressor of tamoxifen transcriptional activity, RBFOX2, FOX2, HRNBP2, RBM9, RTA |
| <b>Form</b>                       | Lyophilized                                                                                                                                                                                                                      |
| <b>Storage buffer</b>             | Lyophilized from a solution in PBS pH 7.4, 0.02% NLS, 1mM EDTA, 4% Trehalose, 1% Mannitol.                                                                                                                                       |
| <b>Purity</b>                     | >90% as determined by SDS-PAGE.                                                                                                                                                                                                  |
| <b>Applications</b>               | ELISA, Immunogen, SDS-PAGE, WB, Bioactivity testing in progress                                                                                                                                                                  |
| <b>Endotoxin level</b>            | Please contact with the lab for this information.                                                                                                                                                                                |
| <b>Expression system</b>          | E. coli                                                                                                                                                                                                                          |
| <b>Accession</b>                  | O43251                                                                                                                                                                                                                           |
| <b>Protein length</b>             | Thr119-Ala195                                                                                                                                                                                                                    |
| <b>Nature</b>                     | Recombinant                                                                                                                                                                                                                      |
| <b>Predicted molecular weight</b> | 37.00 kDa                                                                                                                                                                                                                        |
| <b>Stability and Storage</b>      | Use a manual defrost freezer and avoid repeated freeze thaw cycles. Store at 2 to 8°C for frequent use. Store at -20 to -80°C for twelve months from the date of receipt.                                                        |

## Recombinant Proteins &amp; Antibodies

|                       |                                                                                                                                                       |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Reconstitution</b> | Reconstitute in sterile water for a stock solution. A copy of datasheet will be provided with the products, please refer to it for details.           |
| <b>Species</b>        | Homo sapiens (Human)                                                                                                                                  |
| <b>Shipping</b>       | In general, proteins are provided as lyophilized powder/frozen liquid. They are shipped out with dry ice/blue ice unless customers require otherwise. |
| <b>Note</b>           | For research use only.                                                                                                                                |
