

# Anti-Human Lewis Y Antibody (SAA1434), FITC

## Summary

---

|                              |                                                                                                                                                                      |
|------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog No.</b>           | FHK11111                                                                                                                                                             |
| <b>Clone ID</b>              | SAA1434                                                                                                                                                              |
| <b>Host species</b>          | Mouse                                                                                                                                                                |
| <b>Conjugation</b>           | FITC                                                                                                                                                                 |
| <b>Species reactivity</b>    | Human                                                                                                                                                                |
| <b>Form</b>                  | Liquid                                                                                                                                                               |
| <b>Storage buffer</b>        | 0.01M PBS, pH 7.4, 0.2% BSA, 0.05% Proclin 300.                                                                                                                      |
| <b>Concentration</b>         | 0.5 mg/ml                                                                                                                                                            |
| <b>Clonality</b>             | Monoclonal                                                                                                                                                           |
| <b>Isotype</b>               | IgG2a, kappa                                                                                                                                                         |
| <b>Applications</b>          | ELISA, FCM                                                                                                                                                           |
| <b>Target</b>                | alpha-L-Fucp-1-2-beta-D-Galp-1-4(alpha-L-Fucp-1-3)-beta-D-GlcpNAc, Fuc-1-2-Gal-1-4-(Fuc-1-3)GlcNAc, Le(Y) antigen, Lewis Y antigen, Lewis Y tetrasaccharide, Lewis Y |
| <b>Endotoxin level</b>       | Please contact with the lab for this information.                                                                                                                    |
| <b>Accession</b>             | PubChem CID: 45266908, CAS:82993-43-9                                                                                                                                |
| <b>Stability and Storage</b> | Store at 4°C for 12 months. Protect from light. Do not freeze.                                                                                                       |
| <b>Note</b>                  | For research use only.                                                                                                                                               |
