

# Anti-Human CD33 Antibody (P67.6), PerCP

## Summary

---

|                              |                                                                                                        |
|------------------------------|--------------------------------------------------------------------------------------------------------|
| <b>Catalog No.</b>           | FHD37514                                                                                               |
| <b>Clone ID</b>              | P67.6                                                                                                  |
| <b>Host species</b>          | Human                                                                                                  |
| <b>Conjugation</b>           | PerCP                                                                                                  |
| <b>Species reactivity</b>    | Human                                                                                                  |
| <b>Form</b>                  | Liquid                                                                                                 |
| <b>Storage buffer</b>        | 0.01M PBS, pH 7.4, 0.2% BSA, 0.05% Proclin 300.                                                        |
| <b>Concentration</b>         | 0.5 mg/ml                                                                                              |
| <b>Clonality</b>             | Monoclonal                                                                                             |
| <b>Isotype</b>               | IgG4, kappa                                                                                            |
| <b>Applications</b>          | FCM                                                                                                    |
| <b>Target</b>                | Myeloid cell surface antigen CD33, Sialic acid-binding Ig-like lectin 3, Siglec-3, CD33, gp67, SIGLEC3 |
| <b>Endotoxin level</b>       | Please contact with the lab for this information.                                                      |
| <b>Accession</b>             | P20138                                                                                                 |
| <b>Stability and Storage</b> | Store at 4°C for 12 months. Protect from light. Do not freeze.                                         |
| <b>Note</b>                  | For research use only.                                                                                 |
