

# Anti-Human CD3E Antibody (TRX4), PE

## Summary

---

|                              |                                                                                                               |
|------------------------------|---------------------------------------------------------------------------------------------------------------|
| <b>Catalog No.</b>           | FHC27782                                                                                                      |
| <b>Clone ID</b>              | TRX4                                                                                                          |
| <b>Host species</b>          | Mouse                                                                                                         |
| <b>Conjugation</b>           | PE                                                                                                            |
| <b>Species reactivity</b>    | Human                                                                                                         |
| <b>Form</b>                  | Liquid                                                                                                        |
| <b>Storage buffer</b>        | 0.01M PBS, pH 7.4, 0.2% BSA, 0.05% Proclin 300.                                                               |
| <b>Concentration</b>         | 0.5 mg/ml                                                                                                     |
| <b>Clonality</b>             | Monoclonal                                                                                                    |
| <b>Isotype</b>               | IgG2a, kappa                                                                                                  |
| <b>Applications</b>          | ELISA, FCM                                                                                                    |
| <b>Target</b>                | T3E, T-cell surface antigen T3/Leu-4 epsilon chain, CD3e, CD3E, T-cell surface glycoprotein CD3 epsilon chain |
| <b>Endotoxin level</b>       | Please contact with the lab for this information.                                                             |
| <b>Accession</b>             | P07766                                                                                                        |
| <b>Stability and Storage</b> | Store at 4°C for 12 months. Protect from light. Do not freeze.                                                |
| <b>Note</b>                  | For research use only.                                                                                        |
