

## Anti-Human GDF2/BMP9 Antibody (SAA0426), PE

| Summary               |                                                                                         |
|-----------------------|-----------------------------------------------------------------------------------------|
| Catalog No.           | FHJ78412                                                                                |
| Clone ID              | SAA0426                                                                                 |
| Host species          | Mouse                                                                                   |
| Conjugation           | PE                                                                                      |
| Species reactivity    | Human                                                                                   |
| Form                  | Liquid                                                                                  |
| Storage buffer        | 0.01M PBS, pH 7.4, 0.2% BSA, 0.05% Proclin 300.                                         |
| Concentration         | 0.5 mg/ml                                                                               |
| Clonality             | Monoclonal                                                                              |
| Isotype               | IgG2a, kappa                                                                            |
| Applications          | ELISA, FCM                                                                              |
| Target                | GDF2, BMP-9, Growth/differentiation factor 2, Bone morphogenetic protein 9, GDF-2, BMP9 |
| Endotoxin level       | Please contact with the lab for this information.                                       |
| Accession             | Q9UK05                                                                                  |
| Stability and Storage | Store at 4°C for 12 months. Protect from light. Do not freeze.                          |
| Note                  | For research use only.                                                                  |
