

## Anti-Staphylococcus aureus lukF-PV Antibody (Fs0350)

## Summary

Catalog No. RXX09801

Clone ID Fs0350

Host species Human

Species reactivity Staphylococcus aureus

Form Liquid

Storage buffer 0.01M PBS, pH 7.4.

Concentration 3.92 mg/ml

Purity >95% as determined by SDS-PAGE.

**Clonality** Monoclonal

Isotype IqG1

**Applications** ELISA, FCM, Neutralization

Panton-Valentine Leucocidin F, Panton-Valentine leukocidin, Panton-

Target Valentine leukocidin chain F protein, Panton-valentine Leukocidin F, lukF-

PV, hlgB\_1, lukF- PV, LukPV-F, lukPV-F, lukPVF, NCTC6133\_01921

**Purification** Protein A/G purified from cell culture supernatant.

Endotoxin level Please contact with the lab for this information.

Accession Q5FBD2

## Recombinant Proteins & Antibodies

Use a manual defrost freezer and avoid repeated freeze-thaw cycles.

**Stability and Storage** Store at 4°C short term (1-2 weeks). Store at -20°C 12 months. Store at -

80°C long term.

For research use only. Note
