

Mouse IgG2c (L234AL235AP329G/LALAPG) Isotype Control Antibody (HyHEL-10)

Summary

Catalog No. RMB96901

Alternative Names Mouse IgG2c, L234AL235AP329G, LALAPG, IgG2c

Host species Mouse

Form Liquid

Storage buffer 0.01M PBS, pH 7.4.

Concentration 3.4 mg/ml

Purity >95% as determined by SDS-PAGE.

Clonality Monoclonal

Isotype IgG2c

Applications In vivo Control, FCM, IHC, IF

Purification Protein A/G purified from cell culture supernatant.

Endotoxin level Please contact with the lab for this information.

Use a manual defrost freezer and avoid repeated freeze-thaw cycles.

Stability and Storage Store at 4°C short term (1-2 weeks). Store at -20°C 12 months. Store at -

80°C long term.

Note For research use only.
