

# Recombinant Cynomolgus monkey CD93/C1qR Protein, C-His

## Summary

---

|                                   |                                                                                                                                                                       |
|-----------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog No.</b>                | EWJ63901                                                                                                                                                              |
| <b>Alternative Names</b>          | Complement component C1q receptor, C1q/MBL/SPA receptor (C1qR(p), Cell surface antigen AA4, Lymphocyte antigen 68 (Ly-68), CD93, Aa4, C1qr1, C1qrp, Ly68              |
| <b>Form</b>                       | Lyophilized                                                                                                                                                           |
| <b>Storage buffer</b>             | Lyophilized from a 0.22 µm filtered solution in PBS, pH 7.4.                                                                                                          |
| <b>Purity</b>                     | > 90% as determined by SDS-PAGE.                                                                                                                                      |
| <b>Applications</b>               | ELISA, Immunogen, SDS-PAGE, WB, Bioactivity testing in progress                                                                                                       |
| <b>Endotoxin level</b>            | Please contact with the lab for this information.                                                                                                                     |
| <b>Expression system</b>          | Mammalian Cells                                                                                                                                                       |
| <b>Accession</b>                  | A0A2K5VH53                                                                                                                                                            |
| <b>Protein length</b>             | Ala24-Lys580                                                                                                                                                          |
| <b>Nature</b>                     | Recombinant                                                                                                                                                           |
| <b>Predicted molecular weight</b> | 59 kDa                                                                                                                                                                |
| <b>Stability and Storage</b>      | Use a manual defrost freezer and avoid repeated freeze thaw cycles. Store at 2 to 8°C for one week. Store at -20 to -80°C for twelve months from the date of receipt. |
| <b>Reconstitution</b>             | Reconstitute in sterile water for a stock solution. A copy of datasheet will be provided with the products, please refer to it for details.                           |

## Recombinant Proteins &amp; Antibodies

|                 |                                                                                                                                                          |
|-----------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Species</b>  | Macaca fascicularis (Crab-eating macaque) (Cynomolgus monkey)                                                                                            |
| <b>Shipping</b> | In general, proteins are provided as lyophilized powder/frozen liquid.<br>They are shipped out with dry ice/blue ice unless customers require otherwise. |
| <b>Note</b>     | For research use only.                                                                                                                                   |
