

# Anti-HMPV Fusion glycoprotein F hIgA ELISA Kit

## Summary

---

|                              |                                                                                                                                                                                     |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog No.</b>           | KAV22902                                                                                                                                                                            |
| <b>Alternative Names</b>     | Fusion glycoprotein F, F                                                                                                                                                            |
| <b>Stability and Storage</b> | The stability of ELISA kit is determined by the loss rate of activity. The loss rate of this kit is less than 10% prior to the expiration date under appropriate storage condition. |
| <b>Detection method</b>      | Colorimetric                                                                                                                                                                        |
| <b>Sample type</b>           | Plasma, Serum                                                                                                                                                                       |
| <b>Assay type</b>            | Quantitative                                                                                                                                                                        |
| <b>Recovery</b>              | 80-120%                                                                                                                                                                             |
| <b>Shipping</b>              | 2-8 °C                                                                                                                                                                              |
| <b>Note</b>                  | For research use only.                                                                                                                                                              |
