

# Recombinant Pig C3/Complement C3 Protein, N-His

## Summary

---

|                                   |                                                                                                                                                                   |
|-----------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog No.</b>                | YPB89901                                                                                                                                                          |
| <b>Alternative Names</b>          | Complement C3,                                                                                                                                                    |
| <b>Form</b>                       | Lyophilized                                                                                                                                                       |
| <b>Storage buffer</b>             | Lyophilized from a solution in PBS pH 7.4, 0.02% NLS, 1mM EDTA, 4% Trehalose, 1% Mannitol.                                                                        |
| <b>Purity</b>                     | >90% as determined by SDS-PAGE.                                                                                                                                   |
| <b>Applications</b>               | SDS-PAGE, WB, ELISA, Immunogen, Bioactivity testing in progress                                                                                                   |
| <b>Endotoxin level</b>            | Please contact with the lab for this information.                                                                                                                 |
| <b>Expression system</b>          | E. coli                                                                                                                                                           |
| <b>Accession</b>                  | P01025                                                                                                                                                            |
| <b>Protein length</b>             | Ser747-Ser1302                                                                                                                                                    |
| <b>Nature</b>                     | Recombinant                                                                                                                                                       |
| <b>Predicted molecular weight</b> | 65.20 kDa                                                                                                                                                         |
| <b>Stability and Storage</b>      | Use a manual defrost freezer and avoid repeated freeze thaw cycles. Store at 2 to 8 °C for one week . Store at -20 °C for twelve months from the date of receipt. |
| <b>Reconstitution</b>             | Reconstitute in sterile water for a stock solution.                                                                                                               |
| <b>Species</b>                    | Sus scrofa (Pig)                                                                                                                                                  |
| <b>Shipping</b>                   | In general, proteins are provided as lyophilized powder/frozen liquid. They are shipped out with dry ice/blue ice unless customers require otherwise.             |
