

# Anti-Human KDM5C IP Antibody (SAA0206)

## Summary

---

|                              |                                                                                                                                                                                                                               |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Catalog No.</b>           | RHE31301                                                                                                                                                                                                                      |
| <b>Clone ID</b>              | SAA0206                                                                                                                                                                                                                       |
| <b>Host species</b>          | Mouse                                                                                                                                                                                                                         |
| <b>Species reactivity</b>    | Human                                                                                                                                                                                                                         |
| <b>Form</b>                  | Liquid                                                                                                                                                                                                                        |
| <b>Storage buffer</b>        | 0.01M PBS, pH 7.4.                                                                                                                                                                                                            |
| <b>Concentration</b>         | 1 mg/ml                                                                                                                                                                                                                       |
| <b>Purity</b>                | >95% as determined by SDS-PAGE.                                                                                                                                                                                               |
| <b>Clonality</b>             | Monoclonal                                                                                                                                                                                                                    |
| <b>Isotype</b>               | IgG                                                                                                                                                                                                                           |
| <b>Applications</b>          | ELISA, IF, IP                                                                                                                                                                                                                 |
| <b>Target</b>                | DXS1272E, Protein Xe169, Protein SmcX, JARID1C, [histone H3]-trimethyl-L-lysine(4) demethylase 5C, XE169, SMCX, Lysine-specific demethylase 5C, KDM5C, Jumonji/ARID domain-containing protein 1C, Histone demethylase JARID1C |
| <b>Purification</b>          | Protein A/G purified from cell culture supernatant.                                                                                                                                                                           |
| <b>Endotoxin level</b>       | Please contact with the lab for this information.                                                                                                                                                                             |
| <b>Accession</b>             | P41229                                                                                                                                                                                                                        |
| <b>Stability and Storage</b> | Use a manual defrost freezer and avoid repeated freeze-thaw cycles.<br>Store at 4°C short term (1-2 weeks). Store at -20°C 12 months. Store at -80°C long term.                                                               |
